## TOP SECRET STRAP 2

### One Month Later – OP SOCIALIST

- Scoping session conducted – main focus to be on enabling CNE access to **BELGACOM GRX Operator**
- **Ultimate Goal – enable CNE access to BELGACOM Core GRX Routers from which we can undertake MiTM operations against targets roaming using Smart Phones.**
- Secondary focus – breadth of knowledge on GRX Operators
- Operations Manager assigned, team assembles

The image shows a red warning message box. At the top right, the word "CryptoLocker" is written in white. The main text in the center reads: "Your important files encryption produced on this computer". Below this, in a larger font, it says: "see this text, but do not see the "CryptoLocker" window deleted "CryptoLocker" from computer to recover "CryptoLocker" files in the Internet".
